Welcome to another great day of friendship and inspiration!

*“Let us fervently call upon Mary Most Holy, the Mother of Jesus and our Mother, and St Joseph her spouse.  
Let us ask them to enlighten, comfort and guide every family in the world, so that they may fulfill with dignity and peace the  
mission which God has entrusted to them.*

— POPE FRANCIS

# Parenting WITH Purpose

*“Listen to your children. Give them your time, even the time that you have reserved for yourselves. Show them your confidence; believe whatever they tell you, even if sometimes they try to deceive you. Don’t be afraid when they rebel, because, at their age, you yourselves were more or less rebellious. Go to meet them half-way and pray for them. If you act in this Christian manner, they will come to you with simplicity, instead of trying to satisfy their legitimate curiosity by talking to some vulgar friend. Your confidence, your friendly dealings with your children, will receive an answer in their sincerity in dealing with you. Then, even if there are quarrels and lacks of understanding, they will never amount to much; and this is what peace in the family and a truly Christian life mean.”*
